

Soterus1

iPhone/iOS Device Guide

Add Soterus1 to Your iPhone or iPad

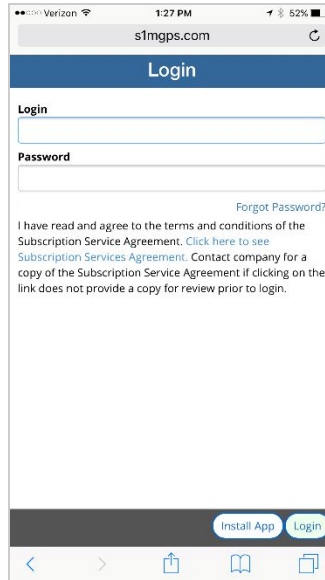

Step 1: Visit the Website

Enter www.s1msgps.com if you have only one Soterus1 GPS.

If you have multiple, enter www.s1msgps.com.

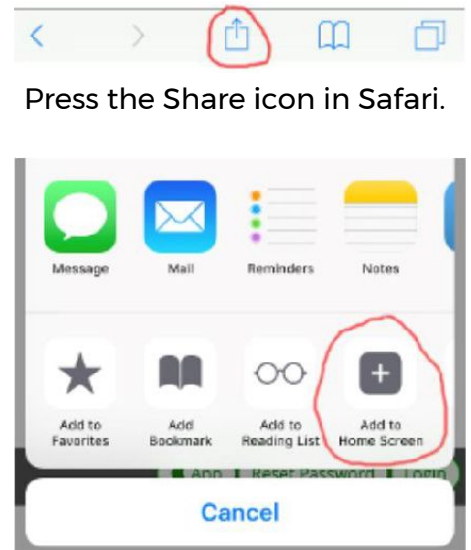

Step 2: Sign In

Sign in with your email address and password.

Your login credentials are emailed when you purchase the system. Use the forgotten password link or call 877-3600-GPS for help.

Step 3: Install as App

Press the Share icon in Safari.

Select Add to Home Screen

That's it. You now have a quick launch icon on your home screen.
